Firstly tell him that they will rescind contract of sale with you? And then exchange contract with new buyer. You must get your contract rescinded so that your lawyer can get your stamp duty back. They should be happy with a selling fee of \$15k at most , the \$30k he is asking is ridiculous money,

Hi all, I've looked at hotels in Canneto, the town on Lipari where we will be staying. If you google 'La Villetta Canneto Lipari' you can see the website and photos of the typical rooms. There's an English translation if you touch the link at the top of your screen. A studio room is €40 per day, a 2 room apartment is €80 per day. The studio is designed like a motel room whereas the 2 roomer has a separate bedroom then a kitchen/lounge area in a separate room. Angelo stayed here on a previous trip. The hotel is at the far end of the esplanade but it's only minutes walk to the centre where bars and restaurants are located. Mistral Residence is where I've stayed previously and the website is mistral residence lipari, if you like to see their page. The top of the page has an English translation link. This hotel is located in the centre of the strip. Studio rooms are €60 per night and 2 room apartments are €90 per night. The Casa, Miky and Villa accommodations are away from the centre so don't worry about comparing those. Let me know what you think as far as location is concerned, then I'll email the hotels to see availability. We may all be able to stay at one place otherwise some of us may have to go to the other one. This is the time of year that people think of booking so let's get in fast. Get back to me ASAP so I can have locked in accommodation for us by next week. Peter, obviously you can ignore this email. Joe, you may want to check both sites out. Thanks, Michael

I've emailed La Villetta in Canneto, Lipari, confirming 7 studio apartments. I gave them our group arrival date and individual departure dates, majority leaving on the 9th (Tuesday) with Angelo and I leaving on Thursday the 11th. Probably won't get a confirmation until Monday evening our time. Tony, I booked a studio for Joe P as well but not Joe DiG as per his instructions.

I'm probably leaving 13
