

should say your turnover is around ten mil and the main clients include various builders and government agencies. Hey, Raja. Sit tight. I'll have some answers tomorrow. I'm going to play the program card."---Yeah.

Are those messages that you sent to Raja Sanber to provide false information to Downer?---Yes.

'Cause you knew that their turnover wasn't \$10 million, didn't you?  
---No. It's definitely not ten million, yeah.

10

And is that something Amit Patel was going to ask them, to your knowledge?---It sounds like it, yes.

And you told them to provide a false answer to increase their chances in being allocated the work for Victoria Street. Is that fair?---Correct, yeah.

Okay. You're doing a lot of work, Mr Aziz, during the tender process to ensure that RJS Civil were awarded these works.---Yeah.

20 Are you sure that you didn't have a financial interest at this early state?---I really can't remember. I would say it looks like I did.

Okay.---But, yeah, I'm just struggling to remember.
