ABDI: Alright so he's going to send it to you tomorrow he just wants to double check one thing with the accountant in terms of the GST because he's registered as a sole trader.

NGUYEN Yeah.

ABDI: And it's under 75 but he's just having a panic attack man but he's going to send it anyway.

NGUYEN Oh but it doesn't matter any, yeah oh well heart(?) attack is what I like[sic] um.

ABDI: He's such a retard he argh he's had, he asks me to ask the accountant is it okay, to ask my accountant is it okay for him to work with Downer and invoice one of their subcontractors. It's like, "Dickhead why would an accountant give a fuck about you breaking a golden rule".

NGUYEN [Laughs] I know, I know, they don't care where you get the money from they just deal with problems.

ABDI: Yeah I know he kills me brother, fucking bro, you don't understand man he's been ringing me five times every day for an hour for the last week man I'm dying.

You know, Jesus man. But just like can you please like make it a mission to pay this guy's money like -

NGUYEN: Oh yeah, yeah, yeah this is (unintelligible)

ABDI: As soon as you get the invoice tomorrow just freaking make it a mission man like pay him and tell me, make sure you pay him exactly the correct amount and tell me exactly how, um when you pay him so I, I know I can tell him.

NGUYEN: Yeah I, well I've been (unintelligible) I'll, I'll, I'll take a photo of the receipt when I go to the bank.

ABDI: Oh yeah, yeah, yeah and then I'll send it to him so he knows.

NGUYEN: Yeah and that's it. And then as I said, yeah and then he knows when to expect it yeah, yeah.

ABDI: Um what else argh, argh what else has been happening.

NGUYEN: Yeah well (unintelligible) so, so yeah so Hornsby yes so argh Abdul told Nima that yeah, yeah, so Abdul told Aidan yeah they didn't get it.

ABDI: Yeah, yeah.

NGUYEN: Um so, so Brefni got it yeah? So then he –

ABDI: Yeah I told, I told Abdul, “Kill it man stop wasting people’s time. You’re going to make him around, sweat around him”. He was just trying to make him sweat a bit. But I said, “No just kill it because you’re just going to waste time make him running around”. That’s why I told you not to do anything because it’s a complete waste of time.

NGUYEN: Argh okay yeah, yeah, yeah.

ABDI: But, so he just wants to make –

NGUYEN: So he, he yeah okay, yeah.

ABDI: He just wants to make Aidan sweat a bit so, set him up for, if there is another job to say hey fuckwit don’t act like – like you know it’s.

NGUYEN: Yeah, yeah don’t fuck with me yeah exactly don’t take the piss.

ABDI: Yeah.

NGUYEN: If you are taking the piss, don’t take the piss because this is a legit guy – yeah.

ABDI: The, the prices that he said Brefni and um Talis you know they were legitimate, they were like 490 and 600. They were legitimate prices.

NGUYEN: Yeah but were there a lot of exclusions cause we’re, cause um.

ABDI: Nah like yeah like argh Brefni had like pissed, Brefni came at 490 and had like maybe 20 grand worth of exclusion. You know like 20 grand worth of work that they didn’t, they excluded you know what I mean.

NGUYEN: Yeah but I guess that's the difference between going out to all subbies he has no nothing, yeah you got nothing.

ABDI: Yeah.

NGUYEN: Um.

ABDI: Yeah, yeah, yeah. And, and Aidan goes, the problem with Aidan is to he goes to the toppest guys man.

NGUYEN: I know he goes, and that's what I said he goes to people that have a good reputation and he just works you know like.

ABDI: Yeah well that's a mistake because you should anyway like yeah anyway he goes to you, you don't need to go to those guys you can just, all you got to do is , yeah when you go to a shitter guy it just means you need to manage them more on site, that's all it is.

NGUYEN: Yeah, yeah oh yeah you just gotta mould(?) them.

ABDI: You just grab the money and you just manage them more on site, you've just got to be prepared to be on site. It's, the cheaper the subbie the more you have to be available on site.

NGUYEN: That's okay so, so Banksia, so [Re?] says Vlad put us on to the tender, tender panel for Banksia.

ABDI: Yeah, yeah.

NGUYEN: So do you have control of Banksia?

?

ABDI: So, so Sairam is running Banksia, Sairam's the one that's putting us on Banksia and all the other full stations, he, they nominated, nominated us here as Sairam had, when they had the commercial meeting that they were putting together, they asked Sairam and there's a. You know Ali remember that guy that, that guy Abdul hated?

NGUYEN: Yeah, yeah Ali, yeah, yeah I know him, I know him, yeah, yeah Ali, yeah - yeah.

ABDI: They, they said, they, they were in there too and (unintelligible) yeah, yeah, yeah put him on the building, put him on it. So don't get, don't get Aidan just don't talk at that, don't talk to Aidan about any of this.

NGUYEN: No build, building is fucking Monty that's it (unintelligible)

ABDI: That's what I mean, that's what I mean. Don't talk to Aidan too much because 99% of all of our work in the TAP is going to be building work. Cause I've looked at all the –

NGUYEN: Oh well there's, there's more money in steel than building you know that right.

ABDI: I know, I know that, I know that but I've looked at, I've sat down with D(?).

NGUYEN: Then just, just, why don't we just do both, the just the buildings the main way and just, just civil on the side and (inaudible).

ABDI: No, no, no I have, I have, I have but oh –

NGUYEN: Oh right.

ABDI: - what I'm trying to say is I've sat down with the Indian and I've gone through all the scope for the, all the stations and um the, the, all these stations are hazard(?) -

NGUYEN: So what station are, so what stations do you have control or what?

ABDI: At the moment, at the moment well it's hard because I've got, it's not, it's very hard to say, when you say control it's not like Kingswood anymore. I like yeah, Banksia we have the most amount of control. Wollstonecraft we'll have some control because I'll, I'll, see Banksia I've got control from Downer side. Wollstonecraft I've got control from Transport side Um and then what.

NGUYEN: Yeah though you need someone like Sairam, you need someone there um. You really need like.

ABDI: I know, I know what do you, what do you think. Bro, the last two weeks we been busting our balls, like that [REDACTED] guy has been writing letters. He's been busting his balls to get up building(?) into Wollstonecraft but that fucking that Bedwani is pushing back on it so.

NGUYEN: Yeah I know because, so he wants Abdul to run the southwest metro.

ABDI: I know so it's really hard like right now you know like when you say control, like the, the ultimate one is Banksia and, but that's the one with the biggest amount of money in the building. The building's got the largest scope.

NGUYEN: Oh okay, yeah.

ABDI: So don't, don't fire up Aidan for anything because he might not, there might not be really anything in there for him in terms of civil.

NGUYEN: Well so Vlad, so Vlad, oh so I thought Vlad was full bitching about us.

ABDI: No, no Vlad. Vlad is trying to get Dalski in for the building works because that's, there his,

that's his company. So he wants to –

NGUYEN: Yeah, yeah but how, how, why, why, why –

ABDI: But his, his –

NGUYEN: Why did he call Aidan?

ABDI: Yeah because he's getting shafted because everyone, everyone when they all, they all sit together, like all the PMs and PEs and, and Bedwani and the commercial lot, and they all cross names and everyone crossed out Dalski's name. And, and the Safety Manager, Matt Swanson said, "Well you can't use Dalski they're banned, Transport has banned them". Cause I used to walk around and say, "Nah Transport banned Dalski". Nah, Dalski's not allowed they're banned right.

NGUYEN: Yeah.

ABDI: Because they were trying to get into Kingswood at that time. So he's struggling to get Dalski so he's trying to um he's trying to get but he will, he will push very hard to get Dalski into, into the Banksia because that's where he is.

NGUYEN: Yeah well they never used to (unintelligible) oh I'll get some advice and then um find a price and then he goes –

ABDI: Yeah, yeah. He's going to, he, he he.

NGUYEN: It's up to him - put a price.

ABDI: He's doing, think of it like this bro, he's doing the tender for Bank, argh for Dalski.

NGUYEN: Yeah I know but –

ABDI: He is(?) like Dalski

NGUYEN: He isn't paying(?) for RJS cause.

ABDI: He's, he's Dalski.

NGUYEN: Yeah cause he's going to fuck RJS up because he goes, he thinks –

ABDI: That's why, that's why you tell Aidan when he calls him or anything, don't get chummy with him because he's looking for numbers that's what he's looking for.

NGUYEN: Yeah exactly yeah, yeah, yeah.

ABDI: Yeah he's, he's going, he's going like say we gave to him 500 grand he's going to go back to Dalski all right –

NGUYEN: About 400 yeah.

ABDI: RJS did 500 you put it for 450, right, that's what he's looking for.

NGUYEN: Yeah but will Dalski get it, otherwise why, I told you not to use Dalski, why are you using Dalski (unintelligible)

ABDI: No, no because Vlad can pull 'em off, Vlad can pull it off on, on um and he can push it. As the PM he can push it and he'll get it, he'll get it there for sure. So and then –

NGUYEN: Oh right yeah cause –

ABDI: Sairam, so Sairam is working on it right now so he's got Matt Swanson and Ross, you know the supervisor, they're, all three of them are pushing against Dalski, like using Dalski.

NGUYEN: So that, does that mean that, so – so is it split three ways or?

ABDI: With Sairam if we get Banksia?

NGUYEN: Yeah, yeah.

ABDI: Yeah it, he's was going to want, yeah he's going to want the same cut.

NGUYEN: The same the same arrangement yeah, yeah the same arrangement.

ABDI: Same – same set up, same set up. Um anyway it doesn't matter so, so, so, so the budget, the budget for Banksia for building is double what it was for Kingswood.

NGUYEN: Hey that's not bad –

ABDI: Is double –

NGUYEN: You know but it says, so actually is there, is there say a bid? Well Banksia I can't remember I think Banksia or.

ABDI: No, no it's actually on, it's actually building works is probably, I reckon it's probably (unintelligible) up as the exact same as Banksia at Kingswood.

NGUYEN: Nah I think it's the exact same thing as um, um Vic Street.

?

ABDI: North Strathfield?

NGUYEN: Nah Vic Street, Vic Street. You will have the F-A-T, the new F-A-T um?

ABDI: Yeah, yeah, yeah that's what I mean like you, yeah it's not that much, it's not, it's the scope is not as big as what it was with, um with Kingswood. Like it's probably, probably be the same if you include like there's an, there's like a non north, like it's got a lot of North Strathfield but they got to lower the floor and all this other crap. But, but let, let, actually I, I already looked at it and I told Sairam and like, let, assume that it's the same scope as, the same quantity as Kingswood.

NGUYEN: Oh yeah, yeah.

ABDI: You know but it's double the –

NGUYEN: So do, so you, you –

ABDI: Like the budgets double.

NGUYEN: You have nothing in Banksia through like, through Transport right?

ABDI: No I do I got my, my, one of my DPMs, Ali, he's running it. He's the wild(?) guy that's running it so right now I don't know I, I, I haven't stepped into that, I haven't stepped in yet, stepped back into Downer because I was, we were trying to get Abdul in there so then [REDACTED] so because, just [REDACTED] and Abdul are sitting opposite each other that's not, that's the same as me and Abdul sitting opposite each other.

NGUYEN: Argh [REDACTED] so [REDACTED] –

ABDI: Yeah.

NGUYEN: Yeah yeah well [REDACTED] wrote a good email to, saying that well done to RJS team.

ABDI: Yeah, yeah, yeah becauset, I told him to.

NGUYEN: Oh did you?

ABDI: Yeah. [REDACTED] is me bro, [REDACTED] is me but in the white Anglo version. He's me, he's just me when you, that's it, when you're talking to [REDACTED] you're talking to me. He's white and he's an Anglo.

NGUYEN: Oh right cause he (unintelligible) hang on, wait on, he said (unintelligible) cause that's to Downer, Arcadis and RJS.

ABDI: [REDACTED] is very desperate for some paper, he's very very desperate. He's been busting his balls even after today we were talking, to get Abdul into the argh Wollstonecraft but that piece of shit Bedwani's pushing back on it. It's that piece of shit Bedwani cause he doesn't want –

NGUYEN: Oh he is he, he's there I hope um Anthony, Anthony Jaeb

ABDI: Nah Andrew Gayed, Andrew Gayed the guy that worked with me on Glenbrook. He's he's got remember the, remember, remember how you, you B, Ben, he was doing work for Ben, him and Ross. You know you guys were doing Macdonaldtown?
