

Okay. So your evidence is that you did not put a significant mark-up on this quote when you charged Downer for the hire of the lights?---No, I didn't put it up eight times the amount.

Your evidence is that you only put on some management fees?---Correct.

I see. And approximately how much extra did you charge Downer for the hire of these lights?---I, I can't remember off the top of my head but it wouldn't have been that significant.

Okay. And, again, can you explain why it was you didn't just hire from Downer directly through Access? Was it 'cause - - -?---Access wasn't set up on the system.

It was set up in the procurement system?---Correct.

It would have taken too long. You needed the lights ASAP?  
---Straightaway.

So you used Avco?---I, I provided a solution for the site, yes. At the time we thought was best for project.

I see. Is there anything else you can tell us about the Wollstonecraft project, Mr Gayed?---Not off the top of my head. I, I left in March 2021, from differences and, and didn't complete off the job.
