## Schedule A

### Remuneration and Discretionary Benefits

The details of your Total Remuneration Package (TRP) are shown below:

Name: Sairam Pilli

Hours of work: Your nominal hours of work will be 38 hours per week. However, you may be required to work reasonable additional hours to meet the requirements of your position. Your remuneration package compensates you for any additional hours that you may work.

#### Remuneration Package

Component	Details
Total Remuneration Package (TRP)	\$110,000

Your TRP will be paid monthly on the 15th or such other frequency as determined by Downer via electronic deposit to your nominated financial institution that is acceptable to Downer. Downer will deduct and withhold all amounts necessary for Downer to comply with its taxation obligations under taxation legislation or other legal responsibility.

Your TRP will be reviewed annually with your manager. Any increase to your remuneration will be at the sole discretion of Downer. Any decision to increase your remuneration will take into account your performance, the performance of the business and the prevailing economic climate at the time and any expected conditions in the future. Unless agreed otherwise, any adjustment will apply from the commencement of the next review cycle year. The timing of the review year may be varied at Downer's sole discretion.

Inclusion in the remuneration review process requires employees to have at least six (6) months continuous employment with Downer before they become eligible for review.

#### Superannuation

Your TRP includes superannuation contributions. These contributions will be calculated at the minimum rate/ percentage as prescribed by prevailing legislation at the relevant point in time (the Superannuation Guarantee (SG) Contribution Rate or Maximum Contribution Base).

You may vary the pre-tax Salary Sacrifice superannuation amount by completing the Voluntary Superannuation Contribution Request that is available on the Intranet and your base salary will be adjusted to reflect any change. Variation can be made provided:

- that the amount is not less than the SG contribution that Downer is required to pay on ordinary time earnings; and
- that the total employer contributions (SG contribution + Salary sacrifice) must not exceed the limits provided by the ATO Concessional Contributions Cap.

Varying your pre-tax superannuation contributions is a matter of individual choice about which Downer makes no recommendation and gives no warranty. It is recommended that you should take financial advice as to your own circumstances and the appropriate level of additional pre-tax contributions you may choose to make, if any.

You are eligible to choose your own superannuation fund. This means that you will be able to choose any complying superannuation fund or retirement savings account for your superannuation contributions.

If you want Downer to make contributions to a complying superannuation fund of your choice, you should complete a Standard Choice Form which will be provided. If you do not choose a fund, Downer will make contributions to a fund chosen by Downer as the default fund. However, should you wish to make a choice at some future date, you will be able to do so.

### **Remuneration Packaging**

Subject to the approval of Downer, and in accordance with Downer policy, you may elect to take the TRP as a combination of base salary, superannuation contributions and non-cash benefits.

At your request, or as determined by Downer, Downer may alter the components of your TRP, subject to the following conditions:

- the cost to Downer of providing the TRP must remain the same; and
- the superannuation component of TRP must not be less than the minimum SG Contribution or greater than the amount of the Concessional Contributions Cap; and
- any alteration must be in accordance with Downer policy.

Downer may deduct or withhold from your TRP, an amount equal to any fringe benefits tax or other tax payable including luxury lease adjustment by Downer (other than payroll tax) on any component of your TRP.
