

20 Did you ask either of those witnesses to delete material off their devices like their mobile phones or their computers?---Yeah. I, I told, I told Raja.

You told Raja to delete material?---Yeah. I said, “Oh, you’d better delete everything because they’re going to take everything off you.”

I see. And did he do that to your knowledge?---I’m not sure, I didn’t speak to him, yeah, like - - -

30 What was it that you asked Raja Sanber to delete? What material?---Oh, I just said, I didn’t say, there was no specifics, it was just delete everything. There was no, like, specifics.
