## Report: 056.1 - All Learner Transcript Administrator Report

This report lists the Learner's transcript including all learning activity (enrolments and incompletes). If selecting a Manager, enter whether you want only direct reports or all reports. All Completions will return certification history and the Use Folder Permissions parameter enables the administrator to turn on or off the use of folder permission checks.

Portal Lists impacting this report are: 'Object Excluded Content Type', 'Object Without Offering Type', 'Object Completion Content Type'

Please NOTE: this report may be very large and it is best to schedule it.
