EXTRACT OF CALL 8.54.04 TO 8.55.24

COX: Apparently we're cheaper than Maize by 200 grand.

NGUYEN: Oh right, oh okay then. So did you tell him 'what's the crack, what do you want us to do?'

COX: I'm going to say to Kevin Watters this morning that we want everything including the building and ask him why not.

NGUYEN: So we pretty much do the whole Wollstonecraft Station?

COX: Even – even though we don't want the building, we just tell him we do.

NGUYEN: Yeah.

COX: And then it's at – and then we settle for all the civil and FRP works.

NGUYEN: Yeah we'll just say we'll get – we can – just tell him we have capacity to do it. Capability -
– capacity to do it, so, yeah. Don't tell him we want it. Say okay we'll do everything, to do
all of Wollstonecraft. Yeah.

COX: Well we're saying – we'll tell him we've got one million dollars sitting in our bank account
waiting to be invested.

NGUYEN: Hey?
