NGUYEN TO COX

NGUYEN TONY NGUYEN
COX AIDAN COX

EXTRACT OF CALL 08.59.40 TO 09.02.13

COX: I'm ringing you bro just to see what the feedback is for that wee tender.

NGUYEN: Yeah go. Yeah.

COX: Oh – oh –

NGUYEN: Nima, he's – he's fuckin' – here's something interesting, Nima has a, um, breakdown for all three stations but he won't give it to me.

COX: He's got the breakdown for the other three stations but he won't give it to you?

NGUYEN: Yeah, he said I'll give it to you when – when – when the time comes and then I didn't want to push it. I said yeah whatever I don't care. I said yeah so well there's no point giving it to me now because I know I had to play – I had to play like that.

COX: Um, well that's a problem.

NGUYEN: Yeah.

COX: The reason he's saying I'll give it to you when the time comes is because he wants a fuckin' –

NGUYEN: He wants a cut, I know, I know, I know.

COX: How do we get it without him?

NGUYEN: Oh fuck I don't know. Um, but you can't ask, um, Kevin because the time hasn't come yet because he said oh it's a bit too early isn't it?

COX: I don't know that I could ask Kevin. I don't think he'd give it to me.

NGUYEN: Oh right, okay yeah.

COX: See Kevin's game is this. Kevin's game is you price it, price it comfortably. Make sure you've got yourself covered and then I'll give you the work, um, but before I give it to you I bump the price up and then you give me my profit, that's his fuckin' game. That's when I just went –

NGUYEN: Oh.

COX: That's what he's doing on North Strathfield.

NGUYEN: North Strathfield, yeah, yeah, he says how much, he say you put it up by that and then, mm.

COX: That's – that's what he's doing on North Strathfield and that's what he's probably going to do here.

NGUYEN: Yeah.

COX: So, um, his ideal – the ideal thing would have been if we could add the fuckin' prices off Nima and then – and then we could fuckin' tell the other boy that's the price and the price is just below his budget.

NGUYEN: He – yeah and then look I’ll say okay I’ll work five grand from that at the moment rather than working off fuck 50 grand. Yeah.

COX: Yeah and then you just tell Nima off, fuck Nima that’s the price.

NGUYEN: Yeah, yeah, yeah. How do I –

COX: And Nima’s obviously figured that out.

NGUYEN: Um –

COX: Well he’s probably not really figured it out. Well if he wants could you send something over... thinking about getting a fuckin’ under-grad but I want to see if it’s worthwhile or not or no it’s not worth (UNDECIPHERABLE).

NGUYEN: No, no, no, because they’re all – because he wants – he goes – he wants – he wants to do the tender himself. I said no, piss off. Yeah he said I’ll price it for you. He said price beyond demo. He goes yeah it’ll be like no worries 25 k.
