COX TO NGUYEN

COX                      AIDAN COX  
NGUYEN                TONY NGUYEN

**EXTRACT OF CALL 08:07:37 TO 08:08:42**

COX:                      Um, behind it all could be the fuckin' variation requests we put in for 50 grand. You know, you don't know what – you don't know like where – like we were saying the other way it's hard to read. You don't know what he's saying. He's saying one thing but he might be getting fucking upset.

NGUYEN:                You'll find out when the next progress claim we put in next week. We'll find out exactly which – which – what he –

COX:                      Where he stands.

NGUYEN:                Yeah exactly.

COX:                      Do you know – do you know the other thing that we're not doing, we're not paying for his Christmas party before that progress claim.

NGUYEN:                Yeah, well I – yeah well I, yeah not going to pay a thing until I get paid. Supposed to get paid next week and then – and then yeah well then it's a joint me and you agreement.

COX:                      But – before – before we put the progress claim in, before we that – before we get a – we're not paying for their Christmas party until we get a response on that progress claim.

NGUYEN:                Yeah. When's it due, the 20<sup>th</sup>?

COX:                      'Cause – 'cause he –

NGUYEN: (UNDECIPHERABLE)

COX: Well his (UNDECIPHERABLE) is to fuckin' review it and it's pushing it tight. (LAUGHS)

NGUYEN: Oh well he -
