Liked "I'll represent Kalyan. There is no one else there as senior as he is in our team. If they talk about rates they breach confidentiality clause of the contract. Plus I don't justify peoples salaries to others. It's either accepted by the client or rejected. Simple. You can take Sadaat @ \$120 + gst to PMLV. Did you talk with Kef? I will call him shortly but would appreciate a heads up from you first before I walk into the minefield as I did with Kalyan. Give me a chance to put my Kevlar suit on "

Mayra and Aline are looking for a pay rise. Told me during my meeting with them when I came to Bankstown. Can we give them an extra \$5 to \$10 p/hr? Ben and I are playing phone tag. I'll try him again this afternoon

Candidates referred to council and PMLV since May not getting feedback. 2 of these candidates this week have told other candidates I was trying to headhunt not to use Spinifex. Go to another agency. That doesn't work for me Pietro. Check your emails. Accept or reject within a week. My reputation and supply is being compromised. You would not accept this, I certainly won't. We need a sit down if this partnership is to continue.
