FITZGERALD: Righto what's happening?

GOODMAN: She was gonna ring you.

FITZGERALD: Right.

GOODMAN: And we had the Personnel manager kicking up a stink that there's nothing on the file. I said hang on we've been paying this for 20 years. Ah, no, no, no.

FITZGERALD: Who, who?

GOODMAN: Oh, I don't know, some new fucking Personnel Manager.

FITZGERALD: Oh, so it's not, so, what's happened to Martin?

GOODMAN: Martin's in Governance now.

FITZGERALD: Yeah.

GOODMAN: She fucking left after a month and they got this other one and she -

FITZGERALD: They got, they got that real bitch from fucking Randwick didn't they?

GOODMAN: Yeah, she left.

FITZGERALD: Yeah, Randwick fucked her off. You know that don't you? (unintelligible)

GOODMAN: Yeah, she only lasted a month.

FITZGERALD: Right okay yeah.

GOODMAN: Then they got this other one. I can't remember, I think I might've charged Lorraine's super wrong. I charged the wrong account.

FITZGERALD: Right okay.

GOODMAN: And the new sheila said, what's this? I said it's an arrangement, you know, I just told them the story and anyway doesn't matter. Ah, there is , there's very scant details on file so -

FITZGERALD: Yeah.

GOODMAN: I was talking to Lorraine I said probably better to see Peter, get a proper letter from when it all started and say this is what it's about, this is how we're doing it and it's allowable. Rather than you know, having nothing you know what I mean even though. As I said, the auditor who signed it off is dead now so we're totally fucked. remember Norm went through all that shit and said yeah, all fine but now he's fucking dead.

FITZGERALD: Yeah, but his signature must be somewhere.

GOODMAN: Oh, we can't find it.

FITZGERALD: Oh okay righto.

GOODMAN: It's not on the file that's the main thing.

FITZGERALD: Righto, yeah.

GOODMAN: It doesn't matter it's (unintelligible) or a handwritten thing saying yes this is what - and the process is there if anyone looks at it in the future. I spoke to Lara about it, but Lara didn't know what it was I said this is what it is blah, blah, blah. I said it was based on what a previous Director - John Maree was getting and we pay it to her, we've been paying it for 20 years.

FITZGERALD: Yeah.

GOODMAN: Oh, have we, I didn't know about it. It doesn't matter whether she knew or not, um,

that's between you and Peter, not me.

FITZGERALD: But, but more importantly she doesn't have to know.

GOODMAN: That's right exactly.

FITZGERALD: Yeah, yeah.

GOODMAN: But I said look Lorraine the easiest way is ring Peter, Lara said I think he's in Queensland - .

FITZGERALD: She knows I was, she knows I was, because she got me to fly down for a day.

GOODMAN: That's right, she told me.

FITZGERALD: Yeah.

GOODMAN: And um, you can get a letter off him, and fucking, you know

FITZGERALD: And you know that's going to be on my bill -

GOODMAN: Yeah that's fine.
