I am an authorised Officer under the Protection of the Environment Operations Act 1997; you are required to answer the following questions. I warn you that if you neglect or fail to answer without a lawful excuse, give false or misleading information you are guilty of an offence under the Act. You may however object to answering a question but the answer is not admissible in evidence against you personally. Do you understand this?

Re: land fill interview  
with Mr. Pety. Owner.  
My Reuben Matthews.  
At 01:01 pm. Mr.  
Reuben Allen Matthews  
identified himself  
as the above at  
the described Address.  
Q I said: (on y.d) sir

please explain to me what's  
has been happening within  
your property over the past  
2 year "Approx".

A He: About 12 months ago  
and a fortnight I got  
basic to level that  
section up the property.  
This is because the property  
was really bad to be able  
to ride my horses etc.  
He said it was ok for  
what he was doing but  
if your going to put  
breed horses up you will  
need a D.A.

Q How did you meet Narn.  
A Through Andy Canastin.  
Q How many truck loads  
did you get to come in  
of fill?

(Mr Robert Stone.)

A. I don't know, I don't keep track of it.

Continue:

Spoke to Ana and Frank, Ana was from Liverpool Council and Frank I believe was from Penrith.

They told me that I couldn't do that ~~and~~ but no one could locate Nasir.

I then told Ana that I put in a D.A. I waited and waited but ~~lost it~~ heard nothing (Council said they lost it).

I don't hear from them but I put in another

D.A. I then got a call from Ana and said it was all

OK. I assumed I could go and fill, I thought I could do what I had to do.

Q After all this several officers have come to my property but didn't speak to me, they spoke to Nasir. Don't know why? During this time Frank spoke to Mr. Matthews re: D.A. process and where the investigation has been over the duration of the investigation.

Q What does Nasir tell you about hand filling?  
A No, He didn't advise me.

- on any of the things  
I could or couldn't do.
- Q. What did he charge  
you for the work?
- A. Nothing. I don't know  
why, maybe cause  
his friend with Andy.
- Q. Was he being paid  
by Andy?
- A. No, I don't know.
- Mr. Mathews was personally  
instructed under the Act  
"P.O.E.O." to stop  
all Earth works on the  
land fill section of the  
property. Stop all  
contractors from bringing  
in any more land fill.
- SL. I will return also  
advise you that Mr  
Nasir taleb "Kubite"

- Has been instructed on  
more than 2 occasions  
to stop filling and  
working.
- Q. I will make sure this  
takes place.
- I then informed Mr  
Mathews that we will  
be informing him  
Directly re: all  
Council Actions.
- Mr. Mathews informed us  
that two other set  
of officers have come  
through the property  
and what speaks to me,  
they spoke to Nasir,  
that's the emphasis,  
they should have spoken to  
me.
- Q. Did any other officers,

possibly could speak to  
you?  
A. No, no they don't.  
- My Mother was now also  
I wanted to secure the  
property and lock the  
gate which the contractors  
are gaining access to.  
Ref. to the gate in  
which the trucks and  
machines are gaining access  
to the property.

Q. Do you Sir believe this  
interview was conducted  
fairly and in a non  
discriminative manner?

A. Yes.
