1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in Court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything, which I know to be false or do not believe to be true.
2. I am a Ranger employed by Liverpool City Council and have been so for approximately six months.
3. On 18 May 2015, was investigating a land fill matter with my Ranger colleague, Frank Bono.
4. I have read the statement of Frank Bono regarding the conversation he had with the property owner on this day.
5. I was standing with Frank the entire time that he was speaking to the owner.
6. I independently concur that Frank's statement accurately reflects the conversation that took place.
7. Because Frank was doing all of the talking, I took notes in my contemporaneous notebook number N068776 pages 119-121.
