Hi Craig,

For your action.

Council Ref No. **C15/52059**

At the beginning of the year there was a "Jet Skip" bin filled with asbestos at this exact location which I managed to arrange for the owner of the skip bin company to remove.

As per the attached photo another Jet Skip bin filled with domestic rubbish as appeared again. Please liaise with the owner to get this bin removed (number displayed on skip bin).

Council will have to remove the surrounding rubbish unless we can identify an offender.

The area is starting to reappear as a hot-spot, we need to discuss cameras for the site.

Regards,
