**HOMSEY  
HACKING**

**SCOTT HOMSEY  
ARTHUR JOHN HACKING**

HACKING:

Hey buddy sorry about that.

HOMSEY:

Hey mate, no - no I'm sorry mate. Yeah so Thursday, Friday I'll be down I'll just let you know mate, and I know there's no hurry, but it's better for me to do it in little chunks and keep doing it.

HACKING:

Yeah - yeah no - no that's cool - that's cool.

HOMSEY:

Alright mate, alright and how's everything going from your end?

HACKING:

Yeah, look I - I'm - I'm off today and tomorrow -

HOMSEY:

Sweet.

HACKING:

- Springett - Springett worked the weekend, and just the way things are going mate I think it's going to pick up now.

HOMSEY:

Yeah you think it's - yeah -

HACKING:

Oh definitely - definitely.

HOMSEY:

I'll just - I'll just keep in touch with you every few days to see what your needs are, 'cause I don't know how quick things will pick up where you'll just get rid of stuff.

HACKING: Yeah well, look -

HOMSEY: That's all.

HACKING: - yeah well I'll - I'll find out some more when I'm back on Wednesday but like how  
- how many more we got to go?

HOMSEY: Well we're on - we - we took a delivery today and we start Thursday -

HACKING: Yep.

HOMSEY: - for another ten thousand and that's half way.

HACKING: Half way?

HOMSEY: Yep.

HACKING: Yeah.

HOMSEY: That's just forty - that's forty, just on forty. With Darren forty two and -

HACKING: Yep.

HOMSEY: - and obviously with the deal and everything -

HACKING: Yeah - yeah - yeah - yeah - yeah - yeah.

HOMSEY: - so yeah.

HACKING: Okay well 'cause - 'cause we - we were going to have the remainder done before December weren't we?

HOMSEY: That's right, but again I didn't want to load you up having a hundred and twenty - I didn't think it'd be a good look just having a hundred and twenty pallets there for you that's all. So -

HACKING: No - no - well I'll - I'll - I'll talk - talk to the boys and see, see what we're doing, but I - I know we have sent out a few.

HOMSEY: Yep.

HACKING: And - and I reckon they would have sent a few off to the Blue Mountains.

HOMSEY: Okay 'cause my - my preference now is to probably try and do - if you need - 'cause we got - we got ten there takes us roughly three or four days without hurrying -

HACKING: Yep.

HOMSEY: - three or four days to do that ten thousand. My preference is to tell the lolly guy to - to - to let's go now so you've got it all there for end of December.

HACKING: Yeah - yeah - yeah that - okay, alright let me confirm that and I'll get back to you.

HOMSEY: No hurries mate, no hurries.

HOMSEY: You have a lovely day off, what are you cooking your lovely wife tonight?

HACKING: We - we just going to have tacos tonight.

HOMSEY: Oh nice mate I love a good taco.

HACKING: Yeah so do I, but we're - yeah it - it - it's - it's nothing special, but we're going to go down the club with my mate tomorrow and just have a few beers and have a little bit of a tinker on the bet - on the races.

HOMSEY: Good mate, good on your mate, well have a nice day and I'll talk to you the next - when you get back to work.

HACKING: Okay buddy I'll speak to you later.

HOMSEY: Bye-bye mate, bye.
