Hi Cindy,

Please find **attached** text messages that were on my phone.

There are two photos for each Board member I texted the motions to.

The first photo shows the time and date the text was sent and what the motions are; and
The second photo shows their response to the motions.

You will see that the following Board members were in favour of the motions:

1. Carole Brown;
2. John Dickson;
3. Ian Edwards;
4. Rohan Tobler; and
5. You, Cindy Cronan.

The Board members that did not respond in favour were:

6. Wendy Maybury; and
7. Dorothy Shipley.

Board members that I did not text were:

8. Vicki Wade;
9. George Bloomfield; and
10. Merv Donovan

I believe Merv supported the motion although I'm not sure if he confirmed it in writing by text or email.

Yours in solidarity
