Dear Greg,

I am writing to you to inform you that I am resigning from my position as District Manager, Picton Office as of 6 December 2014.

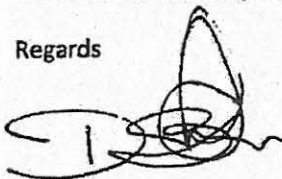

Thankyou for the opportunities that I have received at the Board, during the past 11 years. I most enjoyed working with my dear friends at Picton Office.

Please pay all my outstanding leave & any other entitlements into my St George account where my salary is currently being received.

As I have some personal affects in my Office at Picton could you please advise me when these may be collected.

All Mine Subsidence Board equipment including phone & vehicle will be returned to the Picton Office on the Monday morning of 8 December 2014.

Regards

Darren William Bullock
