See if you can use your own money this time it would be good.

Then we will discuss paying back nannu , Peter and me .

No more lies .

Why pay fitness first that much .

Are you getting money out of your account to cover all this .

The lady ended up ringing me back and it came to a total of like 3705 but if I pay cash tomorrow by 5pm she can make it 179 to finish that other one 705 to get out of and cancel fitness 1st and 850 for the other phone bill and then she will snd me amended letters to tell me its finished im going to try and finish early today and get my money out plus im working over time and pop into nannus ok?? So I think that's pretty good wat she did for me dun u rekn?
