Mr Camilleri,

Richard Petros here acting as your daughter Jessica Camilleri's Lawyer.

This case is quiet complex please endeavor to forward any questions you might have. I apologise for not being in contact as Jessica has asked me several times to be in touch with you. I would like to speak to you in person over the next coming weeks.

I understand you might be very nervous about the amount of money being thrown into the case i gurantee you that the money will be returned with interest to you.

The problem in which we are incountring at the moment is that the amount of money owed to your daughter is wrong to the totals in which they should owe you in actual fact after reviewing the case i have a total of \$243,000 in which your money and Jessica's has been put in. We seem to be getting the run around.

At the moment i am looking to involve a higher Barister and 1 other lawyer as it is a case which has alot of in's and out's.

I will forward on some paper work to Jessica which would be of use to you in the upcoming day's.

I believe we should fight this case as there is alot to gain Jessica seem's to be giving up due to the amount of money and stress which has been put on to you and your family.

I also understand you are quiet concerned about Cheques, Deposits not clearing so are we and are in the process of sorting out which could result back in court.

For your's and Jessica's benefit any questions please email me and i will be in touch soon.

Richard Petros
Lawyer
