### Bribery is against the law

Most people involved with issuing and obtaining a licence are honest.

You are reminded that you must not offer your assessor money, gifts or other favours and that your assessor must not ask you for money, gifts or favours in order to gain a heavy vehicle driver licence without fully demonstrating your driving ability to the competency requirements.

### These practices are illegal

Penalties are severe and include fines and imprisonment. All cases of corruption will be investigated and strong action will be taken against all those involved. If you know or believe that anyone has got or is about to get a heavy vehicle driver licence by offering or responding to a request for a bribe - or if you suspect or know of any other corruption involving another applicant, driving instructor or assessor, telephone:

- Roads and Maritime Services (RMS) on 1800 043 642 (this is a free call); or
- the Independent Commission Against Corruption (ICAC) on (02) 9318 5999.

## Competency assessment session record

### Session 1
