4. I am making this statement in addition to a previous statement made to Senior Investigator Michael Kane and Investigator Evarna Hart on the 3 July 2013. I am able to state the following:-
5. As stated in my previous statement, dated 3 July 2013, vehicle BQ41VH (NSW) was parked in my yard and never left my property from 7 September 2012 when I initially purchased the vehicle until I finally sold and received the final payment from \_\_\_\_\_ on the 1<sup>st</sup> April 2013.
6. I have never allowed vehicle registration number BQ41VH (NSW) to be used for any HVCBA training or testing at anytime in February 2013 nor was the vehicle in the Sydney metropolitan area as it was always parked in my yard.
7. I do not know nor have I ever met any person by the name of \_\_\_\_\_ or \_\_\_\_\_  
Neither of these persons would have had access to my vehicle BQ41VH (NSW) at any stage to undertake any medium or heavy truck driving assessments.
