CRESNAR: It was, yep.

MADDEN: Geez I'll have to ring him, fucking (indecipherable)

CRESNAR: Yeah ring him and just make sure, but I'm pretty sure it was. That's not done yet is it?

MADDEN: Ah there's just a little bit of paving, but it's trying to get pavers is getting impossible to get fucking things.

CRESNAR: Yeah.

MADDEN: I've only got a few squares there to do, but (indecipherable) Geez Phil that was never 5 each mate.

CRESNAR: Um, I think so -

MADDEN: I don't think we'd've done it if it was. I'm nearly sure you told me just 2 and a half each.

CRESNAR: Oh, I can't - dunno.

MADDEN: I'll have to ring him now, he's in the middle of a fucking night at home.

CRESNAR: [YAWNS].

MADDEN: Um, yeah okay leave it with me.

CRESNAR: Is he in Ireland is he?

MADDEN: He's in Ireland yeah, but I'll have to ring to check, Jesus he told me before he went to it 2 and a half.

CRESNAR: Oh did he?

MADDEN: Yeah.

CRESNAR: Yeah cause they were all the same and then when he got that small one we dropped it down.

MADDEN: Yeah but the ones that we paid for, the one before was 2 and a half. It was 2 and half each.

CRESNAR: The big, the big ah -

MADDEN: The ones in ah Lindfield.

CRESNAR: Oh you might be right there actually.

MADDEN: Yeah cause I remember they were 2 and a half each, I'd definitely remember it was 5 each to be honest though.

CRESNAR: It would've been the same as before, so yeah.

MADDEN: Yeh, that all, that's right that'll do so I'll try and get that sorted for you there fairly shortly.
