Dear Madam,

We have the pleasure of inviting you to attend the launching event of "Establishing a MENA Gender and Development Network", scheduled to take place on April 12, 2002, in Tunis, Tunisia. Mr. Jean-Louis Sarbib, the World Bank's Vice President of the MENA Regional Office, together with CAWTAR will co-chair the Launching Event.

"Establishing a MENA Gender and Development Network" - supported by the Development Grant Facility (DGF) of the World Bank and implemented by the Center of Arab Women for Training and Research (CAWTAR) - aims to bring closer the Arab sub-regions and narrowing the existing gender gap in the Middle East and North Africa Region and its implications on poverty and growth by raising gender issues as core development issues and a development objective in its own right.

Please be informed that the travel and accommodation will be taken in charge by the organizers, and your stay will be at Hotel El-Mechtel, Tunis, Tunisia.

Your participation at this important event will be of great importance. In this context, we are attaching a preliminary agenda.

We look forward to hearing from you soon.

Yours sincerely
