HAWATT: Yep.

KONISTIS: Right as long as you and George are a hundred percent sure that, you know, he will deliver you know when he's meant to.

HAWATT: Yeah.

KONISTIS: John and I do not have a problem (UNINTELLIGIBLE) doing it the way – you know doing it as a consultancy or doing it something separate.

KONISTIS: Yes.

HAWATT: - even though the other company's only charging one percent alright. The – the issue is he – he's got to – he's got to do correctly and that's why – and that's why –

KONISTIS: Yeah.

HAWATT: - he's accepted the original offer.

KONISTIS: Yeah right look –

HAWATT: And now you're changing it and I – I just (UNINTELLIGIBLE) change –

going to get nothing the other way if it falls through we're – we're - you know we're going get nothing.

HAWATT: Absolutely. Absolutely (INAUDIBLE) -

KONISTIS: Right. Now we know that he's – we know that he's agreed to you now s – them signing the agency agreement for two point two the offers on the table as we said. Right so the only sticking point is this additional you know commission now and how – and how to you know –

HAWATT: Well he's – he's agreed to it, he's agreed to it there's no problem with it –

KONISTIS: (INAUDIBLE)

HAWATT: - that's why we need to move forward with it.

KONISTIS: (INAUDIBLE)

HAWATT: And I don't know what's happening, I don't know why he's not contacting Charlie and organising the contract and picking it up and – and get the ball rolling based on our agreement.

KONISTIS: (INAUDIBLE)

HAWATT: 'Cause now – now you're creating more delays and I think – and – and I have concerns with delays. Once you have delays and then –

KONISTIS: Well – well especially when they're hot, these guys are hot and they're asking for a –

HAWATT: Well –

KONISTIS: - contracts and soon as (INAUDIBLE) –

HAWATT: Well get George to get the contracts for them.

KONISTIS: Yeah.

around and say oh no forget it I'll go with the other mob.

KONISTIS: (INAUDIBLE) that's - that's why - that's why I'm saying if - if (INAUDIBLE) -

HAWATT: I'm happy - I'm happy with the original deal of - of he gets his hundred whatever the case is and - and - and we get our -

KONISTIS: Yeah.

HAWATT: - whatever (INAUDIBLE) -

KONISTIS: See what happened I'll you - I'll tell you what happened I think John met with George and George told him that the initial (INAUDIBLE) was that there was going to be a hundred for - for each.

HAWATT: Yeah.

KONISTIS: Right (INAUDIBLE) it's already agreed to that it was going to be five hundred and that's why John said well if it was already agreed to well then should stick to that agreement.

HAWATT: (INAUDIBLE) wasn't agreed to, it wasn't agreed to to that extent. Not - not like

that. It wasn't agreed to that.

KONISTIS: Yes. Well look he's – he's – he's your guy ah I - you know we're happy to leave that to you guys right we're happy to leave Charlie to you guys because you guys know Charlie we know the other guys right.

HAWATT: (INAUDIBLE)

KONISTIS: Now the other guys – the other guys are jumping up and down saying we've agreed where's the fucking contract – where's the contract –

HAWATT: (INAUDIBLE) well that's what we really need to go ahead and nobody's doing anything all you guys –

KONISTIS: (INAUDIBLE)

HAWATT: - all you guys are doing is causing – you're throwing a spanner into the works and you're gonna fuck it up it's simple as that.

KONISTIS: Alright.

forget it, it's – it's becoming complicated.

- KONISTIS: Char (INAUDIBLE) hasn't Charlie – Charlie would have a contact would he?
- HAWATT: Just get George (UNINTELLIGIBLE) George's got the contract, George's got everything. Get George to chase it up it's his job now to do that.
- KONISTIS: Yeah, should we wait till you guys meet and then do it or what?
- HAWATT: No there's no need to meet he's already said go ahead. If we – let's stick to the original deal that – that he said he's happy with and to go ahead with it, he's happy with it. Why (UNINTELLIGIBLE) why do we (UNINTELLIGIBLE) change anymore.
- KONISTIS: Fuck yeah, but when can he sign John's agreement so there – there consortium is comfortable to move forward. That's the other thing.
- HAWATT: Well get – get – get the paperwork ready for God's sake what are you going to sign?
- KONISTIS: Yeah. Yeah exactly – exactly.
- HAWATT: (INAUDIBLE) he's got nothing to sign, you – you're the guys that are supposed to be bringing all this forward.
