2	Sent	To [REDACTED] Jim Montague	20/9/2014 10:10:34 AM(UTC+10)			Sent	Hi Jim The games have re started again. Where are the LEP amendments. Where are all the reports? Where is the RMS letter? If Developments along busy roads are subject to RMS which we have addressed so why cant we finish the gateway determinations and let them approve each individual DA. Our lane access changes addresses their concerns. If main roads are not being used so what is the problem? We need to urgently meet to discuss further. Michael
