Re the Harrison's site, we're waiting for RMS as discussed, but he agreed to submit further supporting info.  9 Thomas at has been approved so there's not more we can do unless the applicant wants to.  Re Koutsouras' job, I've met with him numerous times, last time with Mark Adler and George Vasil and told him that he needs to engage a town planner, speak to George for details, he agreed with this approach.  Anyway, happy to meet when you can.
