HAWATT: No – no that’s good I told them (INAUDIBLE)

VASIL: No – no – no it was – I think Matt’s gonna be okay.

HAWATT: I – I think so too, I think he’s – I think you know something he’s smart, he’s very smart. He knows how to count numbers and he knows that his future – for him to have a future as a general manager –

VASIL: Yeah.

HAWATT: - he needs to also work with us –

VASIL: Yeah.

HAWATT: - you know he knows that.

VASIL: Yeah.

HAWATT: So he – he’s not stupid, he’s not gonna run – run wild and run stupid and do stupid things so he’s not gonna do that you know.

VASIL: Yeah – yeah – yeah – yeah, and if there’s something he doesn’t know with planning he doesn’t know he’ll find out because I spoke to him about a few things yesterday.

VASIL: And that section 80-2A he is clearly the Administrator he thought its only – if – if a decisions made by delegated authority that's not correct, any decision you can appeal under 80-2A. He wasn't sure, he said he was gonna find out, I showed Bechara yeah.

HAWATT: Oh that's good, alright.

VASIL: No – no sorry – so what I'm saying is you know he's amicable to listening you know.

HAWATT: No – no he - look he look he's got common sense.

VASIL: Yeah – yeah – yeah.

HAWATT: Like he – logical stuff you know this is where the problem is lot of these staff and those planners they got no fuckin common sense, so it's just like that's it that's the way it is and that's it.

VASIL: Yep – yeah – yeah.

HAWATT: He looks at the – he looks at it does this makes sense, it is logical, it is – you know add up. He – he looks at that and – and it works you know what I mean it work.

VASIL: (UNINTELLIGIBLE) and I – I mentioned to him about the DCP and he said yeah it's only a DCP. Well you can change it, but I –

HAWATT: (INAUDIBLE)

VASIL: - mentioned about that guy Ian – Doctor Ian Gerard.

VASIL: He was very – he just goes along with the DCP and he said – he said yeah but it's only DCP, you know and I said that's exactly right that's why –

HAWATT: You tried, but they use it like the bible like George Gouvatsos oh it's not in the DCP –

VASIL: Yeah – yeah.

HAWATT: I mean it's only a guide and it's like they stick to it, and then she had a problem with Canterbury Councilors.

VASIL: Yeah – yeah. Apparently George is changing, but anyway. Anyway as long as Matt's amicable he's – he's listening and he –

HAWATT: Yeah – yep.

VASIL: - (INAUDIBLE) you know (UNINTELLIGIBLE). Okay –

HAWATT: Alright George I'm (INAUDIBLE)
