### VASIL TO HAWATT

**VASIL**                      **GEORGE VASIL**  
**HAWATT**                    **MICHAEL HAWATT**

HAWATT:                    Hello.

VASIL:                        Yeah Michael.

HAWATT:                    Hi George (INAUDIBLE)

VASIL:                        (INAUDIBLE) every ten minutes I'm getting a phone call. They want a contract, they want to know how much and they want a contract.

HAWATT:                    Oh look the guy it – it's a bit complicated the way they're doing it at the moment. You know I think – I think it's – it's – because it's a public company involved in it it's too complicated for him to go round in – in circles like this.

VASIL:                        (INAUDIBLE)

HAWATT:                    What he needs to do is – it's too difficult.

VASIL:                        To do what?

HAWATT:                    For the contract.

VASIL:                        What do you mean?

HAWATT: (INAUDIBLE) it's a public company (UNINTELLIGIBLE).

VASIL: Yes.

HAWATT: For them to pay out side commissions and this I don't think they're gonna accept it.

VASIL: No – no – no – no that's got nothing to do with them. No. How much do they want net?

HAWATT: But h – how you're gonna organise the payment to these people?

VASIL: If – if they can't pay the Commission if this (UNINTELLIGIBLE) public company can't pay the commission we organise another way.

HAWATT: Okay that's – that's a different story. All – all I need then – I don't want to talk – 'cause when I spoke about third parties the guy didn't want to listen.

VASIL: Okay all I want to know how much do they want net?

HAWATT: Oh (INAUDIBLE) –

VASIL: That's all (INAUDIBLE) –

HAWATT: - okay I'll get that off him if that's the case (INAUDIBLE) –
