VASIL TO HAWATT

VASIL **GEORGE VASIL**
 HAWATT **MICHAEL HAWATT**

HAWATT: (INAUDIBLE) George –

VASIL: Yep.

HAWATT: Yeah what's this message from John?

VASIL: Okay. Now when you spoke to Laki what he said to me that Charlie agreed on the two point two plus three hundred.

HAWATT: Correct.

VASIL: What he's now saying, you agreed on one point nine plus three hundred.

HAWATT: Oh –

VASIL: Okay now this message that John has sent don't believe that out of the two point two or whatever (UNINTELLIGIBLE) consortium commission is going to be that he's not getting anything out of it. Of course he is.

HAWATT: So what he's saying is nonsense?

VASIL: Yes because he wants to go ahead with it so he can get his commission right.

HAWATT: Mm.

VASIL: And lose you out, Pierre and myself right.

HAWATT: So how do we fix that up?

VASIL: Well I said to him it's got to go back to Charlie, state on the original what you discussed with him two point two plus three hundred is two point five. And I don't know why Charlie backtracked on that I have no idea, or go back to the other guys and say look it's one point nine for them inclusive of GST and three for us inclusive of GST.

HAWATT: I think that's probably the best solution I – I don't think they're gonna say no.

VASIL: Yeah but – oh no – no - no he reckons they will.

HAWATT: Oh its bullshit (INAUDIBLE) –

VASIL: He reckons they will but why d – why is Charlie going backwards now too? It's what I don't understand.

HAWATT: I don't know, I really just – I just don't know anymore this nonsense people go on about, it's ridiculous.

VASIL: Well Charlie said that, now he – you – you spoke to –

HAWATT: We – we’ve agreed on – on this thing and – and Charlie will have to stick to that agreement.

VASIL: Right well he’s now – Charlie’s backtracking right. It’s two point five all up, okay.

HAWATT: How much the other people want?

VASIL: Two point two.

HAWATT: Yeah but he agreed to two point five.

VASIL: They want two point two I – I –

HAWATT: (INAUDIBLE)

VASIL: - don’t know what he agreed on because he was (UNINTELLIGIBLE) discussion between you and Laki ah –

HAWATT: No – no it’s John – John what did – what did he say? What did Charlie agree on?

VASIL: Charlie said two point two all up.

HAWATT: Oh all up.

VASIL: Yes.

HAWATT: No he agreed on the three, not – but not more than that because he said it becomes too much.

VASIL: Yeah, but two point two plus three.

HAWATT: Correct.

VASIL: Okay well now he's saying which makes it two point five. Now he's saying no two point two all up.

HAWATT: Yeah but this one is separate to the commission.

VASIL: No – no all –

HAWATT: (INAUDIBLE)

VASIL: - everything. Including that.

HAWATT: Okay is he going to sign some – some sort of a document for that?

VASIL: For which?

HAWATT: To go ahead with the deal once we – once it's done?

VASIL: Yes he will if the commissions sorted out (UNINTELLIGIBLE).

HAWATT: No let me talk to Charlie 'cause that's – that's not right.

VASIL: Yeah – yeah – yeah I know that because this thing is –

HAWATT: (UNINTELLIGIBLE)

VASIL: Yeah (UNINTELLIGIBLE) John sent you yeah he'll go along with that right for the two point two right (UNINTELLIGIBLE) –

VASIL: (INAUDIBLE) so what he's saying that all the commission that Charlie's gonna pay the two point two he'll give it to them.

HAWATT: (INAUDIBLE)

VASIL: They want two point two. Charlie agreed on two point two plus three hundred that makes it two point five. So John went back to him with two point seven, said okay

it was a – a mistake there it was two point five, so two point five. Charlie's not agreeing on two point five inclusive of GST.

HAWATT: Well – if – if – I'll talk to him if he agrees on that –

VASIL: Yes.

HAWATT: - what's the next step? What's John gonna do?

VASIL: Next step he signs the agreement, gives –

HAWATT: So what I'm saying is what's –

VASIL: (INAUDIBLE)

HAWATT: - to stop John –

VASIL: Yeah.

HAWATT: (UNINTELLIGIBLE) what I'm saying –

VASIL: Yes.

HAWATT: - it's all – it's all irrelevant whether this way – if John is willing to – to – to take it like that correct?

VASIL: (INAUDIBLE)

HAWATT: And you're telling me –

VASIL: Yeah – yeah –

HAWATT: And you're telling me?

VASIL: Sorry no. Take – take it like what?

HAWATT: On – on two point two.

VASIL: Okay.

HAWATT: So and you – and you said he's gonna make – he's gonna get his commission anyway. So even if we got up to two point five –

VASIL: Yes.

HAWATT: - he's still gonna take his commission plus that one.

VASIL: (UNINTELLIGIBLE) two point two I have no idea what he's taking. He called (UNINTELLIGIBLE) says it's them – it's them – it's them right it's them okay. I don't know what he's taking right. Now -

HAWATT: But are you sure he's got the buyers George that's the whole thing?

VASIL: Ah they wouldn't be going through all this without the – without all these things okay. Right yeah he has the buyer alright. And – and the – now he's saying in that message oh you just accept ten thousand dollars from them or something like that right. So we did all the work and now he's gonna come in with all the introductions and all that and he's going to keep everybody else out.

HAWATT: Oh this doesn't – this doesn't make sense I'll talk to Charlie to (INAUDIBLE) –

VASIL: Yeah – yeah it's two point five otherwise you know –

HAWATT: Yep. Alright I'll talk to him –

VASIL: Okay (INAUDIBLE) alright –

HAWATT: (INAUDIBLE) okay then (INAUDIBLE) -
