FYI.

Original, application & risk assessment forwarded to MOS.

Risk assessment will be conducted by Mr McAndrew this morning. My advice is that an original risk assessment was conducted, however a review is now necessary given the new information received.

Cheers,

Phil.

**OMCG concerns – Inmate [REDACTED] [REDACTED] [REDACTED] UNS**

Sir,

On 31/01/2014 [REDACTED] made a statement to SAPO Hadley that he was **doing his head in, in [REDACTED] unit**. Miss Hadley spoke to me and said that [REDACTED] concerns were in relation to OMCG issues he had in [REDACTED]. Miss Hadley informed me that [REDACTED] had declared himself as a [REDACTED] nominee during his reception and induction committee meeting held on 29/01/2014.

Author reviewed the case notes from this RIC meeting and gleaned the following;

***Reception Induction Committee interview conducted by AS Case Manager G. Comer SAPO M Hadley & SAPO H Zorz. Inmate currently housed in unit 5.1.2 as A2U/RPB. Inmate is normal discipline currently during RIC identified safety issues related to OMCG ([REDACTED] nominee). CCAP: nil issues. Inmate is a non-smoker (completed acknowledgment form). Inmate issued LGW CC inmate handbook. Core skills assessment referred to education for assessment. SDRO: IRI form completed & faxed. AVO's: nil active. LSIR: [REDACTED] A&OD: [REDACTED] ALERTS: asthma [REDACTED]. [REDACTED] FURTHER COURT: [REDACTED] AVL Central Local Court. SPA review: nil. CASE PLAN: to be reviewed after court. Nil outstanding OS&P referrals. Presenting issues or concerns - inmate identified during RIC that he has fears for his safety due to [REDACTED] OMCG association. AS Case Manager Comer to notify Sector Manager 2 to undertake risk assessment. Nil thoughts of self-harm.***

Author interviewed [REDACTED] on 31/01/2014. During the interview [REDACTED] again declared that he was a nominee for the [REDACTED] OMCG. [REDACTED] stated that he had some concerns regarding his placement in [REDACTED] unit. [REDACTED] stated that he did not know why he was moved to this unit. [REDACTED] said that he had identified several [REDACTED] OMCG members in [REDACTED] [REDACTED] stated that he had experienced OMCG related problems at Parklea CC.

### Local action

- [REDACTED] removed from [REDACTED] unit and placed in 5.2 unit pending risk assessment
- [REDACTED] has submitted an application declaring his OMCG status and his problems with OMCG members in [REDACTED] unit
- OMCG information disseminated to local intel

### Recommendations

- Risk assessment to be conducted on [REDACTED]
- [REDACTED] to be relocated to another centre to facilitate appropriate management of him as an OMCG member
