OK Ray Tabet from Sydney Sector will be trialling the camera in Canterbury on Monday.

Let's change the schedule as following

23/05 – On road trial with Ray

24/05 – Mt White Trial

30/05 – 12 Mile Trial

Is that OK?

Steve – I'll include you in the email trail I have with Ray.

Regards,
Jai

No worries.

If we want to capture a trial at a on road site I can organise one with Ray.

OK 2 sites will do for next week.

Can you pls lock in these times with the site managers so they know when novation will attend to kick-off the trial:

Mt White - 23/05 - novation will attend 10am.

12 Mile - 30/05 - novation will attend 10am.

Ok I've got some feedback from sector managers

So far

12 Mile and Mt White will receive their cameras end of this week....12 Mile can't trial on the 26/05 due to operations however they appear to be happy with the 30/05

Mt Boyce will receive theirs at the end of the month (New England, Upper Hunter, Dubbo and Parkes already have one)

Wetherill Park, Penrith and Botany have them.

I suggest we keep the trial for 12 Mile (30/05) and Mt White (23/05) as scheduled however replace Mt Boyce and Marulan with another site.

Let me know what you think.

Regards,
Jai
