Hi Alex

We do not have access to RMS objective and all Tender responses are saved in TfNSW Objective.

Please bring your USB this afternoon and Gemma will save the responses.

Good morning Nirupa

I tried to call and email Gemma but no luck to reach her.

I would like to ask you could you be able to save the responses in RMS Objective rather than in TfNSW objective? Or can you save in a USB drive and I come over to Burwood to pick up?

Petar Vodogaz from EDM team provide me access to the file, however I would not be able to login to TfNSW objective until tomorrow.  
I booked everyone in for the open tender meeting this afternoon which I need the tender responses ASAP.

Please advise which option is available.

Thanks

Hi Alex

Apologies for late response as I've been in training.

We will open the tender on Friday morning and should be able to provide you with the Responses list.

If you can please send the request to my Manager Nirupa Prasad so she can allocate the task.

Thanks Alex.

# Roads and Maritime Services / Portable Weigh Scales For Heavy Vehicle RMS 2018/001 (Preview)

## Tender Details

RFP for the supply of 425 Portable Weigh Scales for Enforcement Operations Inspections in NSW.

Portable weigh scales are used by Enforcement Operations Inspectors to weigh heavy vehicles in NSW to meet regulatory and road safety requirements.

Roads and Maritime Services seeks Proposals for the supply of 425 Portable Weigh Scales. The performance requirements for the Portable Weigh Scales are described in Part B of the Request for Proposal.

## Location

Refer to Additional Details / Instructions

## RFT Type

Pre-Qualified / Invited - Only those directly invited to tender, may obtain an RFT for the purpose of lodging a tender response. Generally an invitation from a pre-qualified register of approved tenderers who have the ability to undertake the particular work or type of work proposed, a limited number of service providers are known to carry out the work or service (or in emergency or other restricted situations). Tenderers have usually been pre-qualified, accredited, or selected for the type of work and financial range. Competitive bids called from a standing offer (panel / period) contracts would also use this type.

Thanks Gemma.  
Do we need to put something in the participation instructions section? Something like:

"Tenderers will be invited to download a copy of the RFP from the e-tender website and will be required to submit their responses via e-tender by the due date. Do not submit responses directly to a Roads and Maritime Services representative."

Want to make sure tenderers do not email a response directly to RMS. Alex, please ensure the RFP also gives adequate instructions for submitting responses.

Hi Taranjeet,  
Please let me know if you've received this email requesting e-tender publishing of the RMS RFP for portable weigh scales.

As discussed with Nirupa on Friday, this e-tender is for a SELECT TENDER (INVITE ONLY), and RESTRICTED VIEW. A few points:

- In the attached 5425 form, please DELETE the Other Instructions (standard) info. Tenderers are NOT to contact TSS to bid.
- As it will be a select tender, I understand once you publish, you will provide us with the link to the e-tender advert, and a passcode?
- We will send this to our list of select suppliers. Potential suppliers will be asked to access the e-tender advert, and submit their responses via e-tender.
- The RFP document (attached) is to be published with the CLOSED e-tender advert, and accessible only when we give access to the select suppliers.

Note: I've embedded the goods and services contract into the RFP, so you just need to attach the RFP doc.

Any questions, please let us know. The business would like to publish this asap. As it is a standard goods supply, they have only given them 2 weeks to respond.
