#	Time	Calendar Entry	Event information	Deleted
1	Start Time: 7/09/2017 9:30:00 AM(UTC+10) End time: 7/09/2017 10:30:00 AM(UTC+10)	Subject: Create 2nd tender pack with evaluation scoring: 1) cost. 2) licensed distributor/maintenance of RMS scales manufacturer's (PAT and/or HAENNI). Only 1 respondent..who did not meet both criteria. So new rfq was issued with updated evaluation scoring to seek more respondents as per rms procurement manual requirements: 1) cost only. Attendees: Location: Details:	Category:  Reminders: Priority: Unknown Status: Unknown Class: Normal Repeat Day: None Repeat Rule: None Repeat Interval: 0 Repeat Until:	
2	Start Time: 4/09/2017 10:10:00 AM(UTC+10) End time: 4/09/2017 12:00:00 PM(UTC+10)	Subject: Send paul and Roger email in notes Attendees: Location: Details: Send final HVP unit plan email to paul and Roger including that i audited agreed HVP agenda contracts and found key efficiencies can be gained by implementing 2 new panel contracts to carry out the majority of work HVP perform including infrastructure building/ maintenance, ITS maintenance(where maintenance is not sole vendor licensed to a specific vendor such as camera vendors), R&D(Potential ITS and software solutions that have potential for compliance resource/tech cost savings) that is outside of IM&IT scope)..... le/ work that has increased in nature over 12 months to ensure rms receives: 1) the best competitive pricing; 2) converting reactive work into proactively managed programs with measurable outcomes such as our innovation/cost savings program..... I expect cost efficiencies by: 1)increasing competitiveness in these niche market industries; 2) reducing reactive work(which is generally higher cost than proactive work of the same nature due to economies of scale)	Category:  Reminders: Priority: Unknown Status: Unknown Class: Normal Repeat Day: None Repeat Rule: None Repeat Interval: 0 Repeat Until:
