Hi,

Dear,

There are two kinds of VIP table. One is \$5000 (10 Person), the other is \$2000 (10 person).

For the \$5000 table, a Federal Shadow Minister will be seated together, and for \$2000 table, a State Shadow Minister will be seated together.

You still got 10 person can be seated on that table but we will add one more minister to seat with you.

You can bring the cheque on that day, and the title for that cheque should be "Friends of Chinese Community".

Feel free to contact me if you further questions.

Regards

Winnie
