Dear Sir,

Please find the attached which is after correct than send you again: I refer to the matter dated 12/3/2015 on which you use my name to donate \$5,000 to the Labor Party candidate Mr Wong KC. I did not give you permission to do that nor was I ever asked to use my name prior.

On 25/8/2016, I received a letter from the Electoral Commission seeking further information re the donation. This letter has been passed on to you to have the matter resolved. You said at the time that you will take care of it. You lied.

I received another letter late last month from the same Electoral Commission seeking further explanation.

I am deeply concerned with the matter and how it will progress. As you are well aware that this matter has nothing to do with me and at present, I am not at the best of my health to be able to spend any time dealing with clearly none of my business, I hereby give you a week to have the matter dealt with once and for all. Failing that I would have to reveal all matter to the Electoral Commission. So I would like declare as follows:

1. I don't know such donation.
2. I don't know you or company use my name for this donation.
3. I don't agree you use my name to do this donation.
4. I haven't pay any money for this donation.
5. My present finance situation I don't have ability to do donation.
6. You or any people who attend 12/3/2015 dinner party haven't tell me already use my name to do donation.
7. Even you use my name to do donation, stall haven't tell me that, until I received Labour Tax Invoice on 9/4/2015, than I ask you and Mr Laio to know you use my name to do donation, and you said this is no any problems, in Australia any people can donation to any you like political Party, this is legal, if have any problem our company will be fix it, no worry.

8. To reply Electoral Commission Letter dated 14/9/2016, Mr Laio with me go to Company Accountant Office, I just provide my income certificates, bank turnover as recarried in 6/2/2015 to 26/3/2015. Company Accountant issued the letter reply to Electoral Commission, and haven't provide me a copy of this letter, therefore I don't what the letter how to issued.

The above all items are truth, due to present my healthy are very bad, I don't want be trouble and harass all time, I wish you and Mr Wong to fix it asap, many thanks.

Yours Faithfully
Steve Tong
