Subject: Donation to Labour

Hi Alex,

I am sick of the electoral guy, we are done all they ask last year, now they want me attend their discussion for future electoral, I reply them - I am very sick, I don't care who in the power (government), but they want me show them healthy otherwise Doctor proved, Until now I don't send any thing to them.

Are you or Mr Liao received the same letter from them, please find the attached email - they sent to me. Could you ask Eness Wong, why electoral people so hate labour and any duty apply to donation to labour? or give me Mr Wong's telephone to me, I will talk to him about that.

thank you for the above, talk to you soon.

Yours Faithfully

Steve Tong
