Hi Rita,

Please ensure the tables corresponds to the floor plan. We do not want the tables, in particularly the head table to be different to the floor plan. It is embarrassing to sell a table at a high premium and the table is on the side of the stage but your floor plan states it is in the centre. Please understand our concern and the amount of complaints we receive over the last few functions at the Eight.

This is my third request for a accurate floor plan. Please respond accordingly.

Thank you for your kind assistance.

If you have any questions, please do not hesitate to contact me.

Your Sincerely,

*Jonathan Yee*

Rita

Please be informed that I am going to delete table 1 and 2 for banners and gifts, so together we will have 58 tables instead of 60 .

Email me another floor plan accordingly and the menu. Thanks
