- 26.6. Notwithstanding anything contained herein this Mortgage shall be a continuing security and shall remain in full force and effect until the Secured Monies and all other monies payable hereunder have been paid in full and shall not be considered as wholly or partially discharged while any outstanding actual or contingent liabilities exist under the Relevant Agreement or under any other agreement between the Mortgagor, the Company and the Mortgagee. John

We refer to the advance and enclose settlement figures for your approval.

From the attached the following will be ready for you to draw on Friday, as the banks have indicated that the funds will not be able to clear until late today or tomorrow by earliest.

Kindly approve the settlement statement. In respect of the cheque the following comments are made

1. \$50,000.00 – made out to Alramon Pty Limited this is the repayment of the loan advanced to you by Norm. I understand this is to be repaid from the proceeds, however, you will need to arrange for TWT invoices to be
