THE COUNCILLORS SAVING RYDE

Six Ryde Councillors are fighting to prevent a Civic Centre development that gives a multi-national developer our valuable land to build 630 apartments and then sell them off to pocket hundreds of millions of dollars. They're standing firm despite being dragged through the courts and targeted in a smear campaign by those ignoring the wishes of the Ryde community in their ongoing attempt to impose a dud deal on ratepayers.

ON SEPTEMBER 8, VOTE FOR THE COUNCILLORS WHO ARE FIGHTING FOR YOU TO PROTECT OUR COMMUNITY'S ASSETS

I have no objection to this being in the paper. Should I ask who is paying?
