A little bit of ^{mannq} ~~matter~~ from heaven arrived on my desk yesterday what Neish does in his spare time he surfs the net for fucking porn and I've got all the files of everything that he's done on the net and there's all got his name all over it and it's on a CD. It'd be interesting for the department to receive all that and the minister's I think they'd fucking run a mile from him mate. Anyway I'll talk to you later thanks very much Stefan.
