CERRETO: Yeh yeh yeh yeh because because we can't give the opinion um of the final outcome we can only suggest the conduct has taken place.

GOUBRAN: Yes.

CERRETO: So we gotta work the other end as well so the right advice gets done so.

GOUBRAN: Yeh we'll we'll do what.

CERRETO: We'll deal with it tomorrow.

GOUBRAN: What is up to us is to forward that information across okay and that opinion.

CERRETO: Yep.

GOUBRAN: And ah then they can deal with it in their own way.

CERRETO: That's right.

GOUBRAN: Okay.

CERRETO: That's right.

GOUBRAN: So it's just that these guys like I even tried to put them to 3:30 tomorrow.

CERRETO: Yeh.

GOUBRAN: No he can't come he can only come at 2:30 and he's got to leave by 3 o'clock because at 3 o'clock he's got another meeting. It's not easy to get him.

CERRETO: Yes.

GOUBRAN: And and I said to him look I had discussions and I was asked to get the a legal opinion.

CERRETO: Yeh.

GOUBRAN: I said we got the legal opinion because you went and seen him and you presented him with this. Now he asked that you present him with it formally with a legal opinion so he he can see the disparity and he can press the buttons

to correct the wrong. So we can have a (unintelligible) so I can get it same as the other side got it.

CERRETO: Yep.

GOUBRAN: So it I said it's imperative that you write to him because you understand and that's what he wants.

CERRETO: Yeah.

GOUBRAN: So if you guys want it that's what's got to happen.

CERRETO: That's right. And we we we have identified it is under the the legislation corrupt conduct we've identified it and shown it.

GOUBRAN: Well he is a lawyer when he reads it he will know.

CERRETO: No that's right what we can't suggest the course of action.

GOUBRAN: No no we not.

CERRETO: The only course of action we are suggesting is that it goes to the ICAC and they can sort it out there.

GOUBRAN: Yeh that's right.

CERRETO: And if they are not willing to forward it on we will.

GOUBRAN: Hmm.

CERRETO: And leave it in their hands and that's all we can do.

GOUBRAN: Yeah well see they won't be part of that.

CERRETO: No no no not for them for the other end for council.

GOUBRAN: Yeh.

CERRETO: You know what I mean all we do is giving this opinion to to the other side then we are leaving it in their hands.

GOUBRAN: Yeah.

CERRETO: That's the easiest and cleanest way to do that.

GOUBRAN: Yeah that's sounds.

CERRETO: And then it is up to council what they want to do.

GOUBRAN: That's right yeh.

CERRETO: Yep.

GOUBRAN: If they want to forward it to ICAC if they want to.

CERRETO: Yep.

GOUBRAN: Show it to the concerned people there show. But you know we expect action.

CERRETO: Yeh.

GOUBRAN: I have to tread delicately with these people.

CERRETO: Yeah I know I understand that I understand I think for the purpose for the sake of them all they do is write a nice little simple letter please find attached advice we have received and we leave the matter in your hands.

GOUBRAN: Yeh.

CERRETO: And that's all they got to say.

GOUBRAN: Yeh. Take the appropriate action.

CERRETO: That's right.

GOUBRAN: Hmm okay.

CERRETO: I'll sort out the rest alright.

GOUBRAN: Alright. I've got them coming definitely at 2:30.
