GOUBRAN: One of them is right and the other one is wrong. Cause they both refer to the same thing as they can't be different why is it different. The problem is.

CERRETO: But if you don't if you don't have a copy of that email there you've got nothing to reference against.

GOUBRAN: (unintelligible)

CERRETO: Well that's the thing we discussed yesterday we've got to work out how we got that in our hands and from what I understand I think Ray Dresdner had a meeting with somebody.

GOUBRAN: Yes.

CERRETO: And then that person acted upon what he said. Well anyway I've got it you're going to get it on email in about 5 minutes umm and when you are finished call me.

GOUBRAN: Yep okay alright.

CERRETO: Send it to-is Simon with you?

GOUBRAN: Yeah yeah yeah yeh.
