SMITH **DENNIS SMITH**
MCCREADIE **DARYL MCCREADIE**

MCCREADIE: Hello, Daryl speaking.

SMITH: Yeah, can you talk for a minute?

MCCREADIE: Yeah, yeah, what's up?

SMITH: Yeah, nothing, so I sent that so I mean if the line comes back and asking how I knew, we were just having a conversation today and that you – you indicated to me that I'd be getting an email tomorrow. You know from you because you got to do it don't you, the email, right?

MCCREADIE: Yeah, yeah I'll tell –

SMITH: Yeah. So that's our line.

MCCREADIE: Yeah Phil knows that I was having a discussion first but you know –

SMITH: Yeah, good.

MCCREADIE: - part of that discussion is that, you know, I have to send you this email.

SMITH: Yep, no that's fine. And then – in that – in my response I only – it only – it was clear enough I don't care about other sites, it's only University of Sydney I need him to say isn't it?

MCCREADIE: Yeah.

SMITH: That made – that was pretty clear. Alright, those, it was a fair thing, I put it on the line without being, you know, say mate there's enough noise around Telstra. I've got the guarding going and I haven't had a breach since we started. I need to fricken' keep this going.

MCCREADIE: We need to knuckle down.

SMITH: I've got Billy's coming on line. This is fuckin' perilous to me in my scope of operations, full stop.

MCCREADIE: Yeah.

SMITH: See what happens.

MCCREADIE: Yeah, Tom, Tom will listen to that.

SMITH: Yeah and I've asked him on the bottom don't send it on. This is between me and you. Obviously he's going to make a call and sort a few things out but this is just a, you know, an email between you and I. I've got a relationship with him over the years that I've built up. Maybe, you know, we obviously done the right thing by him. Made a lot of ad hoc money and things you know so.

MCCREADIE: Oh shit yeah.

SMITH: Yeah.

MCCREADIE: Absolutely.

SMITH: Whatever his worked – I didn't want to go into too much detail about it. He'll know who it

is, he's worked Health and Safety bloke, he'll start asking the questions and they can sort it out.

MCCREADIE: Yeah, yeah he'll turn to them and he'll just say make it work.

SMITH: Alright - 'cause what – what I basically said 'cause I don't want to get the email and have to officially respond to it and send it up the line 'cause if you read between the lines there that I won't be happy with it and I'm going to send it up to the line for comment.

MCCREADIE: Yep.

SMITH: Yeah, anyway. I didn't want to receive this email Tom (LAUGHS).

MCCREADIE: Yeah, yeah don't want to but –

SMITH: Alright.

MCCREADIE: See what happens.

SMITH: Well I might not. I would hold off sending it to him until we – we hear something back from him.

MCCREADIE: Yeah I'm – I'm – I'm back in tomorrow at seven.

SMITH: Yeah, okay.

MCCREADIE: So we can – yeah see what they – see what feedback we get this afternoon.

SMITH: They're still over there or is he on his way back do you think or is he –

SMITH: Okay.

MCCREADIE: - said last Friday he said he was going to be in Singapore all this week.

SMITH: Okay that's fine.

MCCREADIE: Um, just with handover.

SMITH: He'll still read his emails. He'll read his emails and stuff.

MCCREADIE: Oh yeah Tom's very –

SMITH: Yeah.

MCCREADIE: - yeah he's – his iPhone and his iPad, he's on it constantly.

SMITH: The only thing I didn't mention was also the thing with Certis but he – he's – he's the CEO. He knows all that shits going on in his head as well, you know.

MCCREADIE: Yeah, yeah, he's aware of all that.

SMITH: It's probably the only thing I – I - probably only thing that I did leave out that I could have sort of thrown in as a one cents but yeah he knows like on top of this. So alright very good, righto I'll see you tomorrow then. (UNDECIPHERABLE).

MCCREADIE: No worries.
