12/03/2017	11:49:23 AM(UTC+11)	██████████ Emir Balicevac	<b>Participants:</b> ██████████ Emir Balicevac (owner), ██████████ Dennis Smith	Outgoing	<p>Yeah quick brief boss. I think me and Daryl believe SNP going to sell. I mean there is indications and massive losses to a company. Me and Daryl got bit worried what is next. Myself and Dazza approached Tommy this could happen and in contract for ADHOC work Uni can use anyone. Dazza mentioned to Tommy Uni is in tight with budget. Tommy thought to offer ADHOC around \$30 or 31 ex GST which save some money \$ to uni and keep him running compare \$34.56 ex GST. Tommy guards covering contract as subby compare SNP anyway.</p> <p>Other thing is if SNP sell and approach someone basically me and Daryl have no job security and Tommy as subby could be gone.</p> <p>But if tommy got few things can keep us running. Other thing boss always in battle what will happen next.</p> <p>SNP going through hard things and as me and Daryl read last meeting looks like offer to tom Roach was sent but in review.</p> <p>They lost again big contract worth 40mil.</p> <p>Not sure things are going up and down.</p>

14/03/2017	8:01:33 PM(UTC+11)	██████████ Dennis Smith	<b>Participants:</b> ██████████ Emir Balicevac (owner), ██████████ Dennis Smith	Incoming	Tommy ok / no cost to him
14/03/2017	8:11:14 PM(UTC+11)	██████████ Emir Balicevac	<b>Participants:</b> ██████████ Emir Balicevac (owner), ██████████ Dennis Smith	Outgoing	<p>I talked to him and explained. He started saying no need to worry I did this what been for me all this time. To be honest I was one told him to do this. How many of SNP turned back not suitable looked after etc he straight away said to me yes no problem and he said I m embarrassed didn't come earlier.</p> <p>Boss rusky said to me very solid and as soon he told me this I believed it. I know rusky from back home.</p> <p>If we can help Tommy to get Fisher library, lock and unlock would be good at least can cover some loses.</p> <p>Boss you can talk to Daryl SNP doesn't treat us right and don't tell us anything.</p> <p>You been looking after us all the time. If you were not here me and dazza gone.</p> <p>We can't tell SNP to pay him more. Paying him 24.80 but charging uni 34.56 almost 10 per hour profit where SNP have no respect. In all tommy guards running SNP contract not SNP.</p> <p>SNP guards Vanessa, Abdul Mohammad and other guards all off cuts forced in and on team not fair as they can't do nothing but getting higher \$.</p> <p>So to get tommy this at least can cover his loss and pay guards like George and others more.</p> <p>If you can help boss I would be thankful as tommy is. Dazza is happy to do other way in without SNP knowing</p>
14/03/2017	8:12:53 PM(UTC+11)	██████████ Dennis Smith	<b>Participants:</b> ██████████ Emir Balicevac (owner), ██████████ Dennis Smith	Incoming	Y we tey sort our good guards need b same \$

14/03/2017	8:28:53 PM(UTC+11)	██████████ Emir Balicevac	<b>Participants:</b> ██████████ Emir Balicevac (owner), ██████████ Dennis Smith	Outgoing	<p>Would be good otherwise can bankrupt.or good guards will leave. Dazza was talking as suggestion. Tommy to give you \$32 compare \$34.56 it's 2.56 difference. On 15 thousands hrs a year comes to 40k difference just fisher which tommy guards do anyway. Around 1300hrs is fisher a month so around 40k difference in a year. Good save to uni as well he can pay good guards better \$.</p> <p>Also in future as contract expiry and get bigger can apply.</p> <p>Again boss if this can affect you don't worry. just as suggestion to help tommy to pay guards.</p> <p>I said to Tommy to approach SNP. He already did multiple times and \$24.80 is max if doesn't like to go.</p>
