1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in Court as a witness. The statement is true to the best of my knowledge and belief, and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything, which I know to be false or do not believe to be true.
 2. I am 62 years of age.
 3. I am currently the CEO of Cabra-Vale Ex-Active Serviceman's Club Limited (known as Cabra-Vale Diggers). I have been in this 20th May 2013.
 4. For a 9 month period, from February to November 2004, I was the Secretary of the Serbian Centre Club trading as Bonnyrigg Sports Club ('the Club') at 610 Elizabeth Drive Bonnyrigg, NSW. This was a paid position and not board elected. The Club was formally the Serbian Community Club.

STATEMENT IN THE MATTER OF: Operation Gerda
NAME: Boris BELEVSKI

5. I have been asked by ICAC Investigators to provide information in relation to my former role and knowledge of the Club. I have also been asked about the Club's gaming and amusement machines.
6. The club has a Board of Directors and a membership. The Club does have a President (which is a board elected position) however I never held this position and to my knowledge have never been referred to by others as "The President".
7. As the Club's Secretary I am responsible for gaming machines but I had no reason nor the ability to source a pin ball machine at a discounted rate for a member or other person connected to the club.
8. I do not know or know of an Emir Balicevac nor a Tejan (or Dejan) Velickovic. The surname Velickovic is familiar to me although I can't place why. It is possible that someone by that name was on the Club's board at some point while I was working at the Club however there were many casual board positions and they constantly changed.
9. I do not own trucks nor have I ever worked with trucks. I also am not aware of the Club having a credit system whereby a member could contribute money to an account which would be used to provide tow trucks if and when they were required.
