1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in Court as a witness. The statement is true to the best of my knowledge and belief, and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything, which I know to be false or do not believe to be true.
 2. I am 45 years of age.
 3. Since about 1995, I have been a member of the Serbian Centre Club trading as Bonnyrigg Sports Club ('the Club') at 610 Elizabeth Drive Bonnyrigg, Sydney, New South Wales.
 4. The club has a Board of Directors who are elected by the Club members. The Board then elects a President. The Board currently consists of nine Board members, who

are responsible for the running of the Club. The President is a Board Member who is responsible for chairing the meetings and being the face of the Club. The President is usually elected in February of each year and holds the position for a 12 month period.

5. In about 2014/2015 I was the President of the Club. In February 2018, I was elected as Vice President of the Club. In June 2018, I took over as President when the Club President stepped down due to health reasons.
6. I don't know a person by the name Amir Balicevac or Tejan (or Dejan) Velickovic.
7. I don't know any person called 'Boris' who has ever held the position of President of the Club. The only 'Boris' I knew associated with the Club was Boris Bolevski (or similar) who was the General Manager about 15 years ago. The General Manager could not be confused with the President, they are two entirely different positions.
8. I know the Club does purchase gaming machines through its usual suppliers. The General Manager makes a recommendation to the Board to purchase new machines and the Board approves that purchase. The machines are then purchased through the usual supplier such as Aristocrat. The General Manager is responsible for the actual purchase of the machines.
9. The Club does have a few amusement games such as a pool table, vending machine and 3 kids games, but these are through a supplier in a share profit arrangement, in that we don't own the machines but we share the profits with the owner who

supplies the machines. The General Manager is responsible for facilitating the entertainment machines.

10. I have never been asked by any person to assist them in purchase any gaming or amusement machines, either directly from the supplier or through the Club.
