(AGM) which is held at the end of the year, October – November. However, if we can't get enough members to attend, then the AGM is put over until Jan – February the following year. The Board and the President hold their positions for a 12 month period.

5. The Board currently consists of nine Board members, who are responsible for the strategic decisions of what the Club will do and how it operates, not the everyday day-to-day operations. The President is a Board Member who is responsible for running the meetings and being the public representative of the Club.
6. In 2016, I was elected as a Board Member, and in February 2017, I was elected as the President of the Club. I held the position until February 2018.
7. I don't know a person by the name Amir Balicevac or Tejan (or Dejan) Velickovic.
8. I don't know any person called 'Boris' who was ever a member of the Club, let alone ever held the position of President of the Club.
9. The General Manager makes a recommendation to the Board when there is a need to purchase new gaming machines and the Board approves that purchase. The machines are then purchased by the General Manager, but I don't know where he buys them from.
10. The Club does have a few amusement games such as a pool table, these were here long before I was a member of the Club. I don't know the arrangements regarding the amusements machines. The General Manager is responsible for these machines.
