 Borambola have paid and I will invoice RSL a token \$550 today so there will be about \$5000 in the account.  
 Don't think we draw any for a little while but just have it there to cover expenses if you need to go to Solomons etc  
 Also I have a couple of thousand Yuan for your April trip if you want it. Think we may as well just keep the money in my safe and then its available for you and I at anytime as required

At kapooka and hope late tonight and available most of Tuesday after 1230  
 Phil
