Hello Maggie

I'm disappointed to report that Tim will not be hosting Veron.
I think the main reason was that Veron couldn't tell him where he came from and was a little scant with details. Up until that point I think he was keen
There were also concerns in regard to telling lies to immigration so perhaps that's something you might work on with Monica in terms of your presentation.

There will be other opportunities I am confident and will provide information and leads as they are sourced but I can assure you that the RSL Club and associated parties will not be involved.

Your fee will be returned as required if you let me know details

Thanks

Phil
